

Article Number: 2.00.397-1S

Product Range

Safety equipment

Product Category

ATEX-compliant CE Ex II (3) G [n T4],

zone 2 in the air flow and

low Voltage Directive 2006/95/EC.

PTB-Nr. 14 ATEX D027 and

Consisting of:

Casing made of sheet steel in silver pearl glimmer

Integrated LED error display.

Ready to plug in connection for the 230V / 50 Hz
power supply via CEE 7/7 plug.

Integrated ventilator.

Exchangeable activated carbon filter
(2 kg filling).

Exchangeable particle filter acc. to DIN EN 779.

Filter capacity (activated carbon): 30% of filling
for all substances on the included
hazardous substances list.

Optical and acoustic warning in event of errors.

One floating contact (max. 24V/2A).

Functions:

Monitoring of the air flow.

Monitoring of the filter exchange interval
(electronically coded).

Low noise ventilation

Retail category	Ventilation systems
Retail product filter	Filter systems
Outer width	460 mm
Outer depth	415 mm
Outer height	310 mm
Weight (product)	18 kg
