Technical datasheet

04.09.2026 17:17

line

Article Number: 3.89.002

Product Range Safety equipment

Product Category

Unpolished stainless steel 1.4571
Dim: 130 x 270 (dia x H) mm
Tigth closure, Captive cap on flexible shaft
Flame arrester in can neck
Type approval tested can according to
ADR, RID and IMDG code
Markings prepared according to GefStoffV
and BGV A8
Aditional markings according to ADR/RID
Testing:
BAM-admittance

HW-category	Safety containers
HW product filter	for liquid hazardous substances
Outer height approx.	295 mm
Weight (product) approx.	2 kg
