Article Number: 60287

**Product Range** Safety equipment  
**Product Category**

|                  |            |
|------------------|------------|
| IoT connectivity | radio - BT |
| HW-category      | Monitoring |

General

|               |         |
|---------------|---------|
| Functionality | monitor |
|---------------|---------|

Test criteria and documentation

|               |     |
|---------------|-----|
| CE conformity | Yes |
|---------------|-----|

Technical specifications

|                                |                                      |
|--------------------------------|--------------------------------------|
| Power supply                   | Power supply plug: 100-240V, 50/60Hz |
| Potential-free contact         | Yes                                  |
| Sensor Hub                     | 1                                    |
| Number of door status monitors | 1                                    |
| Door status monitoring         | Yes                                  |
