BATTERY transport trolley with F500 fire extinguisher 3l

Article Number: 69-70000-434

Product Range	Safety equipment
Product Category	

Transport trolley with F-500 fire extinguisher
for transportation of 6 BATTERY transportbox S
transport trolleys with 4 castors, braked
Transport floor made of sheet steel.
Power coated in RAL 7015
Dimensions transport floor: 635 x 425 (LxW in mm)
Dimensions transport trolley: 810 x 445 x 990
(LxWxH in mm)
Empty weight (without fire extinguisher): 30 kg
F-500 fire extinguisher incl. suspension,
especially suitable for
extinguishing fires with Lithium-ion batteries.
3 liter water charge extinguisher
Extinguishing medium: Water with 3% F500-EA
(SP 83/08)

HW-category	Transport and Handling
HW product filter	Lithium-ion batteries
