Article Number: 1.97.820

**Product Range** Safety equipment

**Product Category**

for highly flammable hydrocarbons

drum pump set consisting of:

drump pump, pump made from stainless steel

2 m solvent hose DN 25

conductive hose connections,

equipotential bonding cable

brass extracton nozzle and PP drum adapter

degree of protection IP 54

230 V motor with 5 m cable, earthing pin plug

explosion-proof in accordance with the

Atex 100a guidelines

electrical drive

immersion depth: 1000 mm

immersion tube Dia: 41 mm
