Article Number: 2.00.393

Product Range Safety equipment

Product Category

Consisting of activated carbon replacement filter 2.00.391*and particle replacement filter 2.00.392*

When storing the two filters, ensure that they are kept dry, clean and sealed in a polybag.

Furthermore, the filters must be stored protected from dirt, light and damage.

Under these conditions, storage for several years is possible. Damaged or dirty filters are not to be used anymore.
