

## ACID line

Article Number: 20-081167-032

<b>Product Range</b>	Safety storage cabinet
<b>Product Category</b>	Non-flammable media

ACID line safety storage cabinets are optimised specifically for the storage of acids and lye. The varied additional functionalities of the cabinets of the ACID line increase workplace safety and comfort.

- Health**

Innovative design enables optimised air exchange.

- Safety**

All doors of the ACID line cabinets are separately lockable to provide access control and increase security.

- Working safety**

Highly media-resistant safety storage cabinets for the safe storage of aggressive substances.
