

Article Number: 3.89.001

Product Range Safety equipment

Product Category

Unpolished stainless steel 1.4571

Dim: 110 x 238 (dia x H) mm

Tigth closure, Captive cap on flexible shaft

Flame arrester in can neck

Type approval tested can according to

ADR, RID and IMDG code

Markings prepared according to GefStoffV
and BGV A8

Additional markings according to ADR/RID

Testing:

BAM-admittance
