

Article Number: 3.89.025

Product Range Safety equipment

Product Category

stainless steel 1.4301, unpolished

Dimensions: 300 x 530 (Dia x H) mm

Plastic protection ring, stockable

tight closure, manual ventilation

captive cap on flexible shaft

flame arrester in can neck

Container constructed according to

ADR, RID, IMDG Cording and ICAO-TI

Marking prepared meeting GefStoffV an BGV A8
and ADR/RID

Testing:

BAM-admittance
