

Tender specification

21.01.2026 14:36

Article Number: 69-70000-434

Product Range Safety equipment

Product Category

Transport trolley with F-500 fire extinguisher
for transportation of 6 BATTERY transportbox S
transport trolleys with 4 castors, braked
Transport floor made of sheet steel.

Power coated in RAL 7015

Dimensions transport floor: 635 x 425 (LxW in mm)

Dimensions transport trolley: 810 x 445 x 990
(LxWxH in mm)

Empty weight (without fire extinguisher): 30 kg

F-500 fire extinguisher incl. suspension,
especially suitable for
extinguishing fires with Lithium-ion batteries.

3 liter water charge extinguisher

Extinguishing medium: Water with 3% F500-EA
(SP 83/08)
